On Friday, May 5, Legacy Magazine released the 2017 edition of its POWER issue saluting the most powerful and influential Black professionals in South Florida. Among this year's honorees is Miami-Dade County Public Schools District 1 School Board Member, Dr. Steve Gallon III. Recognized for his educational leadership and advocacy for change, Dr. Gallon says, "A lot of people believe a whole lot, but don't know enough. Others know a whole lot, but believe very little when it comes to the educability of children and fair treatment of certain communities. Then, you have people who know and believe yet don't have the courage to speak truth to power. I vowed to stand, speak and if need be to fight for what I believe to be in the best interest of the children, this community, and what was in the best interest of a spirit of fairness and equality. That is a promise and a charge I plan to keep."

Legacy Magazine will host the Power Gala this Saturday May 13, 2017 at 7:00 p.m. at the Diplomat Beach Resort in Hollywood, Florida.
